Introduction Letter

Thank you for choosing our clinic to help you with your healthcare needs. We are here to help in any way possible. We are enclosing a new patient information packet which contains:

- 1) History and Intake forms
- 2) Patient Payment Responsibility
- 3) Acknowledgment of Receipt of Notice of Privacy Practices

All of these forms need to be filled out completely. If the forms are not filled out completely we will ask you to finish them before you see your doctor. This may take up some of the appointment time reserved for you. Along with your new patient information, please bring current lab reports and any supplements that you are currently taking.

48 hour notice is appreciated and a minimum of 24 hours is required for cancellation of appointments. There is a missed appointment fee of the full cost of your scheduled visit should you not give proper notice

We do not accept any insurance. We will give you a receipt suitable for reimbursement from most insurance carriers.

In consideration of our chemically sensitive patients we request that you wear no fragrance of any kind to our office, this includes natural oils and products.

If you have any questions, please contact the office. Thank you for trusting us to care for you. We look forward to meeting you and being part of your healthcare team!

Patient Payment Responsibility Agreement

Dear Patient,

This letter is to keep you informed of the policies regarding your payment responsibilities.

As a patient you are responsible for the total charges incurred from each visit to your practitioner. Charges are to be paid at the time of each visit.

We recognize and appreciate that health care can involve major financial commitment. We aim to provide you with effective and affordable health care.

Visa, MasterCard, American Express, Checks and Cash are all acceptable forms of payment.

Please remember that you have the primary relationship with your insurance company and you are responsible for the total amount owed at the time of your visit. We will provide you with the appropriate super-bill with the appropriate codes needed for you to be reimbursed by your insurance company. You will need to mail the super-bill provided to your insurance company and your insurance company will reimburse you for all the amounts covered. Before your first appointment contact your insurance company or refer to your insurance contract agreement regarding coverage for Alternative and Complementary medical services. Items to note are: 1) the service covered, 2) which diagnosis are covered, 3) how many visits are allowed per calendar year, 4) the amount of your deductible, 5) any limitations. Answers to these questions will help clarify treatment and financial responsibility.

When you schedule an appointment, the time you schedule is reserved for you and only you. We do not overbook or double book patients. We recognize there may be occasions when you need to cancel or reschedule an appointment. If you need to make any changes to your appointment for any reason, we appreciate a 48 hours notice, but require a minimum of 24-hours advanced notice for any changes. Otherwise, you will be charged a cancellation/rescheduling fee in the full amount of your scheduled visit. This charge will not be billable to your insurance.

Payment for all pharmacy items is due at the time of the visit. Most insurance companies do not cover Naturopathic pharmacy items.

Please sign this form acknowledging you have read and agreed to the above notice. Please feel free to contact us regarding any questions.
